# ABOUT COMPANY

Founded in 2008 by **Mr. Gaurav Khanna**, Signages Solutions has grown into a trusted name in the signage industry, serving clients across India. We are a leading manufacturer and supplier of high-quality sign boards, offering innovative and reliable solutions that strengthen brand presence.

With more than a decade of experience, we specialize in Building Sign Boards, LED Sign Boards, and Acrylic Sign Boards that combine creativity, durability, and precision. Our products are designed to deliver maximum visibility and lasting impact in both outdoor and indoor environments.

At Signages Solutions, we believe signage is more than just display – it is a communication tool that connects businesses with their audience. Whether installed on high-rise buildings or in commercial spaces, our solutions are crafted to enhance recognition and engagement, while maintaining competitive pricing and uncompromised quality.

*Gaurav Khanna*

Signages Solutions is a leading manufacturer of premium sign boards, delivering innovative, high-impact signage solutions that enhance brand visibility, customer engagement, and on-site communication across industries.
